

## CONFERENCE ANNOUNCEMENT

Wisconsin Wetlands Association invites you to participate in the 22<sup>nd</sup> Annual Wetland Science Conference, to be held February 28 – March 2, 2017, at the Holiday Inn Convention Center in Stevens Point, Wisconsin.

Join other scientists and professionals of the wetland and water community of Wisconsin and the upper Midwest to:

*Share* your wetland research, restoration, management, or outreach program;

*Learn* new identification and assessment approaches and techniques;

*Hear* about approaches to incorporating wetlands into watershed & community planning;

*Discuss* the latest in wetland science, planning, and protection issues;

*Look ahead* to the future of wetland science and practices in Wisconsin and the Midwest.

The 2-day conference, which will draw more than 300 attendees, will include a keynote address, organized symposia, topical oral sessions, a poster session, working groups, a banquet, and field trips to area wetlands. This year's conference will build on a two-decade long tradition of regional collaboration to protect and care for the region's wetlands.
