We invite you to show your support for wetland conservation and build your visibility among a diverse group of conservation leaders by sponsoring ***Wetland Resilience***, Wisconsin Wetlands Association's 23rd Wetland Science Conference. The conference will be held February 20-22, 2018, at the Olympia Resort & Conference Center in Oconomowoc, Wisconsin. Since 1995, this conference has been sharing and promoting the best wetland science, restoration, and management practices with the wetland and water community of Wisconsin and the Upper Midwest. More than 350 wetland professionals will attend this year.

As a regional leader in wetland and water resource management, you know the importance of wetland resources as well as the importance of an informed wetland community to protect and care for those resources. **Your conference sponsorship demonstrates this leadership and makes this one-of-a-kind event possible.**

Conference Sponsorship

Wisconsin Wetlands Association's wetland conference is an ideal venue to:

- Develop new resource, service, and sales opportunities
- Build visibility among a diverse group of conservation leaders
- Engage with Wisconsin's wetland and water professional community

We offer a range of sponsor levels and benefits featuring unique marketing opportunities to fit your budget and marketing goals.

To sponsor this event, select among the sponsorship levels and benefits detailed on the enclosed chart of benefits. The exclusive marketing opportunities available at the higher sponsorship levels are available on a *first-come, first served basis*.

Complete the enclosed sponsorship form and return it to **Wisconsin Wetlands Association along with your payment by January 19, 2018**. Note that exhibit space is limited this year so confirm your sponsorship today to secure your exhibit space. After we receive your form and payment, we will follow up with you to provide information about how you can claim the complimentary registrations for your organization's representatives and for additional information regarding your exhibiting needs.

Who We Are

Wisconsin Wetlands Association is the nation's first and oldest statewide organization focused exclusively on wetland conservation. For nearly 50 years, Wisconsin Wetlands Association has been working to protect the state's wetland resources through education, training, advocacy, and research on key issues that affect wetlands. Our award-winning programs effectively reach key target audiences, including local government staff, private landowners, land trusts, community decision-makers, and more. Our more than 1,800 members include wetland scientists and educators, conservationists, hunters and anglers, private landowners, concerned citizens, and local and regional organizations. We are a 501(c)(3) non-profit organization.

We hope you will consider sponsoring Wisconsin Wetlands Association's 23rd Annual Wetland Science Conference, *Wetland Resilience*. Use the enclosed sponsor form to make your commitment as a sponsor of this unique event. More information about the conference is available at conference.wisconsinwetlands.org. Contact us by **January 19, 2018**, to ensure that your sponsorship is highlighted in the conference program.

Thank you for supporting this conference. Please do not hesitate to contact me at 608-250-9971 or programs@wisconsinwetlands.org if you have any questions or for more information.

Sincerely,

Katie Beilfuss
Outreach Programs Director

“ *If I could choose only one conference to attend each year, this would be it.* ”

Wisconsin Wetlands Association thanks the sponsors of our recent Wetland Science Conferences, including:
