Support the 2023 Wetland Science Conference as a sponsor and/or exhibitor to realize all these benefits and more.

Since 1995, Wisconsin Wetlands Association's annual Wetland Science Conference has been providing a one-of-a-kind opportunity to share and promote the best wetland science, restoration, and management practices with the wetland and water community of Wisconsin and the Upper Midwest. More than 350 wetland professionals attend each year.

The 2023 conference will be held in person February 21-23 at the Holiday Inn Hotel and Convention Center in Stevens Point, Wisconsin. We are monitoring public health conditions carefully and laying the groundwork to offer the conference virtually if needed.

You know the importance of wetland resources as well as the importance of an informed wetland community to protect and care for those resources. **Your conference support demonstrates this leadership and makes this one-of-a-kind event possible.**

We have made some changes to our Sponsor & Exhibitor program this year: more information about these changes is enclosed.

How to Support the Conference

Select among the levels and benefits detailed on the enclosed materials.

SPONSOR

- Best visibility to our conference audience
- Range of sponsor levels and benefits
- Complimentary full registrations
- Option to add an exhibit

OR

EXHIBITOR

- Space in our exhibit hall
- One basic conference registration
- Discount for non-profit exhibitors

Two easy ways to sign up:

1. Use our convenient online form to sign up: eventleaf.com/e/support2023wetlands.
2. Email programs@wisconsinwetlands.org to request a fillable pdf form and return it to Wisconsin Wetlands Association via mail or email along with your payment.

We need to receive your sign up and payment by January 20, 2023. Note that several benefits are available on a first-come, first-served basis (including exhibit space, which is very limited this year), so confirm your support early to lock in your benefits.

After we receive your sign-up and payment, we will follow up with you with information about how to access your complimentary registration(s) and claim the other benefits that come with your support.

Who We Are

Wisconsin Wetlands Association is the nation's first and oldest statewide organization focused exclusively on wetland conservation. For more than 50 years, WWA has been working to protect our state's wetland resources through education, training, advocacy, and research on key issues that affect wetlands. Our award-winning programs effectively reach key target audiences, including local government staff, private landowners, land trusts, community decision-makers, and more. We are a 501(c)3 non-profit organization.

Please consider supporting Wisconsin Wetlands Association's 2023 Wetland Science Conference. Find more information about the conference: conference.wisconsinwetlands.org. Contact Katie Beilfuss at 608-250-9971x3 or programs@wisconsinwetlands.org if you have any questions or need more information.

“ This is a regional conference that has the quality of a national conference. It is a great opportunity to interact with wetland professionals. ”

Wisconsin Wetlands Association thanks the sponsors of our recent Wetland Science Conferences, including:
